New application

Resubmission

Please select the [SSHRC program](#) you are applying to:

Which SSHRC applicant category applies to you? (Please click on applicant category below for definition)

[Emerging scholar](#) (An emerging scholar is someone who has not yet had the opportunity to establish an extensive record of research achievement, but is in the process of building one.)

[Established scholar](#) (Someone who has established—or who, since the completion of his or her highest degree, has had the opportunity to establish—a record of research achievement.)

Project Title:

Keywords that best describe your proposed research:

For Applicants Participating in [Internal Review](#) Only

I would like my application to be peer reviewed

*To provide the best possible match for peer review, please suggest **up to 3 reviewers** if possible. Please let us know if you would like help in suggesting names of reviewers and we can provide suggestions.*

1. Name/Department:

Email:

2. Name/Department:

Email:

3. Name/Department:

Email:

Required for Internal Review: Abstract of Proposed Research (brief purpose, objectives, and methodology). Should be no more than 1/2 a page. This will be sent to your suggested reviewers so they can make a well-informed decision whether they are able and willing to review your draft application.

In 2015, a [Grants Repository](#) was created containing examples of successful Tri-Agency grants. If your application was successful, would you consider sharing it on the grants repository?

Yes

No
